DETAILED ACTION

Election/Restrictions

1. Newly submitted claims 1-6 and 12-17 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons:

Distinctness is proven for claims in this relationship if the intermediate product is useful to make other than the final product (MPEP § 806.04(b), 3rd paragraph), and the species are patentably distinct (MPEP § 806.04(h)). In the instant case, the intermediate product is deemed to be useful other than a ship or a vessel i.e. a panel structure for a wall, door or ceiling etc., or an insulation panel, and the inventions are deemed patentably distinct since there is nothing on this record to show them to be obvious variants.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 1-6 and 12-17 stand withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Allowable Subject Matter

2. Claims 7-11 and 18 are allowed. The following is an examiner's statement of reasons for allowance: The closest prior art of record fails to teach or suggest the recited impact resistant, double-skinned structure. Independent claim 7 identifies the uniquely distinct feature of "strips joining adjacent stringers". The closest prior art of record, Zahorski (US 3,104,194), discloses a double-skinned wall structure having stringers extending perpendicularly from the bases to an

inner surface of the inner skin, which either singularly or in combination, fail to anticipate or render obvious the above limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. This application is in condition for allowance except for the presence of claims 1-6 and 12-17. APPLICANT IS GIVEN **TWO** MONTHS FROM THE DATE OF THIS LETTER TO CANCEL THE NOTED CLAIMS OR TAKE OTHER APPROPRIATE ACTION (37 C.F.R. 1.144).
